As the school aims to optimise curriculum time and encourage a culture of continuous learning instead of learning just for the examinations, lessons will resume on 28 October 2024 after the Year-End Assessment. During the said period, the remaining topics for the year will be taught and Clementians will be assessed on their learning before school closes for the year-end holidays. The topics covered during that period will be included in next year's assessment to ensure that Clementians continue to revise what they had learnt in the previous year.

2. Study Break for Primary 6 Clementians from 23 to 25 September

As communicated via the Parents Gateway (PG) on 26 August, the Ministry of Education will be implementing a study break for Primary 6 students from 23 to 25 September to support their well-being prior to the PSLE.

During the study break, P6 Clementians are strongly encouraged to remain at home and do their revision. Clementians who require assistance from their teachers may arrange for consultations with their teachers in school. In addition, the school may request selected Clementians to return to school during the study break. A PG notification will be sent out to the Clementians who have been selected to return to school during the study break. The school will remain open for P6 Clementians who require in-school support.

Parents/guardians who are unable to secure alternative care arrangements may also approach the school for assistance. The Student Care Centre in school will remain open in the afternoons for families who require the service.

3. Showing Appreciation to Our Staff

We have created an online platform for you to pen down your appreciation to our staff (both non-teaching and teaching) to affirm their dedication and hard work. Please take a few moments to share your appreciation via this link: <https://go.gov.sg/ctps-wordsappreciation>

Your words of appreciation will go a long way in motivating our staff to continue giving their best to our Clementians.

4. Photos of School Events

We have recently started a repository for parents to download photos of their children which are taken during school events. To kick off, we have placed the URL beside the name of the event for your easy reference.
